Dear Supervisors:

**INCREASE FOR THE SUMMER VIOLENT CRIME
ENFORCEMENT PROGRAM (SVCEP)**

The Summer Violent Crime Enforcement Program (SVCEP) began in 2006. This unincorporated area program was formed to reduce criminal gang activity, homicides, and violent crime during the summer months, typically June-September. SVCEP has been extremely successful in reducing gang violence and violent crimes in the unincorporated areas of the Los Angeles County (County).

The annual funding of the SVCEP has remained constant since its inception at \$3,634,000. However, the weighted salaries of deputies have increased 19 percent since 2006. This does not include an additional 2 percent negotiated salary increase that will be realized in July 2014. In order to maintain the same level of service, I am requesting a 19 percent increase in funding or \$690,460 from \$3,634,000 to \$4,324,460.

In 2013, the Countywide SVCEP involved 81 sworn personnel in the unincorporated areas for a 17-week period. Without this increase in funding, SVCEP must eliminate personnel or reduce the program length during the summer months.

Given the success and widespread support of the SVCEP, we would ask you to consider expanding the SVCEP law enforcement hours delivered to the unincorporated communities from 17 weeks to 20 weeks. This would require an additional \$675,540 for a total annual funding amount of \$5,000,000.

A Tradition of Service

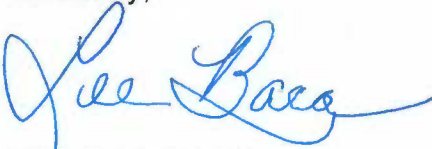

January 13, 2014

This requested increase of \$5,000,000 will be included in our 2014-15 Recommended Budget submission for your consideration.

I have attached the 2013 SVCEP Executive Report that details the effectiveness of this program.

Should you have any questions, please contact Captain Richard Mouwen, Contract Law Enforcement Bureau, at (323) 526-5737.

Sincerely,
